<sup>1</sup>American Heart Association 2020 Handbook of Emergency Cardiovascular Care for Healthcare Providers

All STAT KITS® AND CCAR come with auto-replenishment service and OnTraq, an online tracking, compliance and account management tool. Medications are tracked and automatically replaced just prior to expiration.

IMPORTANT: Medications will be shipped in the available form factor at the time of fulfillment. Some medications or devices may not be available at the time of order due to national supply issues. Kits may ship with backordered items. Backordered items will ship as soon as they are available. Visit [healthfirst.com](https://healthfirst.com) for complete terms and conditions of sale.

For a complete list of kit contents, please see product specification sheets
