

SHARPS MAILBACK PROGRAM

Protect your staff, patients, and practice with an easy and compliant sharps disposal solution.

All-in-One Convenience

- Includes sharps container, prepaid return shipping, and disposal
- No contracts or hidden fees—dispose on your schedule
- Multiple sizes for any practice

Regulatory Confidence and Safe Disposal

- Meets OSHA and EPA standards
- Certificate of destruction included
- Ideal for dental, medical, and ambulatory care

Streamlined and Secure

- No disruptive pickups
- Mailback ensures safe, traceable disposal
- Protects staff and minimizes compliance risk

OnTraq™ Compliance Manager

- Tracks returns and renewals automatically
- Stores certificates digitally
- One dashboard for OSHA, HIPAA, infection control and waste compliance

Sizes for Every Need

- 1 and 5 Quart and 1 Gallon: Small offices
- 2 – 3 Gallon: Moderate volume
- 8 Gallon: High volume
- 18 Gallon: Large practices, or utilize to dispose of your own sharps containers, using a mailback system

OnTraq™: Smart Automation Technology Built to Protect Patients

- Automates regulatory compliance management
- Tracks and automatically replenishes medications and devices
- Centralizes documentation and reporting for easy audits
- Streamlines staff training and readiness
- Frees up time to focus on patients
